The Prop Professor, the Site, and the Service provide, as applicable, a User with access to information regarding major sports leagues, select sportsbooks, and proprietary modules for the consumption of such information. If User is located in a jurisdiction with limited sports betting legality, User must review these Terms with such limitations in mind. It is your responsibility to research applicable laws and regulations and abide by such laws and regulations. User affirms that such research has been conducted and that User shall not use the Service for any illegal purpose or to support, facilitate or further any illegal sports betting.

Each User hereby warrants that they are of a legal age to participate in sports betting in their jurisdiction. Depending on a User's jurisdiction, such requirements typically range between 18 and 21 years old. It is a User's responsibility to determine such User's requirements. In any case, the User affirms to be over the age of 18, as the Services are not intended for children under 18.

3. FEES AND PAYMENT

The Service is provided pursuant to a tiered subscription model and at the rates as set forth on the Site. Access to the Service requires User to pay fees that correspond with User's chosen subscription tier. Information regarding subscription levels is found <https://www.propprofessor.com/#subscribe>.

User shall authorize The Prop Professor and The Prop Professor's third-party partners, such as Stripe, to collect payment of fees from a credit card, debit card or other means of payment; User authorizes The Prop Professor to charge all fees and other amounts owing hereunder from such payment method.

Without limitation, The Prop Professor reserves the right to suspend the Service until all fees or other amounts owing hereunder are paid in full or terminate your access to the Service for late payment.

Fees quoted do not include, and User shall pay, and hold The Prop Professor harmless from all sales, use, gross receipts, value-added, personal property or other taxes, and all applicable duties, assessments, or similar charges (including interest and penalties imposed thereon) on the transaction contemplated herein, other than taxes based on the net income or profits of The Prop Professor. All fees are non-refundable.

The Prop Professor reserves the right to change the fees for its Services from time to time. User will be notified of any change to existing fees at least thirty (30) days before the fee change goes into effect. If a fee increase or change to these Terms is not acceptable to User, User may cancel the Service as provided herein prior to the time when such fee increase or change to these Terms takes effect. User's continued use of the Service beyond the cancellation window constitutes User's agreement to such changes. If The Prop Professor is unable to collect fees due because of insufficient funds or for any other reason, User must pay the amount due immediately upon demand, plus any applicable exceptions processing fees, bank fees, or charges for return items, plus interest at the lesser of 18% per annum or the maximum rate permitted by law, plus attorneys' fees and other costs of collection as permitted by law.

4. TERMINATION.

We may terminate your access to all or any part of the Service at any time, with or without cause, with or without notice, effective immediately. All provisions of these which by their nature should survive termination shall survive termination, including, without limitation, ownership provisions, warranty disclaimers, indemnity, and limitations of liability.

Should you decide to terminate access to the Service, User must login to User's account and follow the prompts to cancel the User's subscription, and thereby, the User's account. Following cancellation, a User shall retain access until the end of period for which they have paid. The Prop Professor shall not refund a User any fees in the event of termination or cancellation for any reason.
